

I am a resident of Connecticut and wish to voice my opposition to HB 6355 AN ACT CONCERNING RISK PROTECTION ORDERS OR WARRANTS. Your opposition to this bill is important to me. There are already laws on the books that can protect people instead of this bill changing the existing law into something which I see being too easy to abuse.

I also want to voice my support for HB 6491 AN ACT PERMITTING PERSONS TO PROTECT THEMSELVES USING NONLETHAL DEFENSIVE INSTRUMENTS. This makes sense to me. some people may not feel comfortable using a gun for self-defense. People need options to be able to protect themselves, and non lethal methods are not a good option.

Kind regards,
